Career Objective

Computer Science with a focus on **Artificial Intelligence and Machine Learning**, supported by foundational knowledge of **C, C++, and Java**, and basic proficiency in **HTML and CSS**. Demonstrates analytical and problem-solving abilities through academic and practical exposure, with the objective of applying technical skills in a professional environment while continuously enhancing expertise.

Education

Bachelor of Technology(B.Tech) – CSE (AI & ML) | CMR Engineering College, Hyderabad | Expected 2028

Current CGPA: 9.35

Board of Intermediate Education | Narayana,Telangana | 2022-2024

Percentage: 98%

Secondary School Certificate | Sri Chaitanya,Telangana | 2021-2022

CGPA: 9.8

Technical Skills

Programming Languages: C(Basics), C++(Basics), Java(Basics)

Web Technologies: HTML, CSS

Other Tools: MS Office, VS Code

Soft Skills: Teamwork & Collaboration, Efficient Task Management, Analytical & SolutionOriented Thinking, Strong Communication Skills, Innovative Thinking, Continuous Learning & Adaptability.

Projects

1.Secure Password Authentication System

- Designed a secure authentication system to validate user access using C++
- Implemented password verification and credential validation logic .
- Restricted unauthorized login attempts through conditional checks .
- Enhanced understanding of basic security and authentication concepts .

2. Automatic Water Level Monitoring System

- Developed a system to monitor water levels in a storage tank using C++
- Implemented level detection logic to indicate current water status
- Prevented water overflow by applying control conditions
- Improved problem-solving skills through real-world system implementation .

Certifications and Achievements

- Successfully completed **Programming Fundamentals** through **NPTEL (Online Certification, Aug 2025)**, gaining a strong foundation in programming concepts.
- Received **Research and Innovation Certification** from **Innomatics (Nov 2025)**, focusing on research methodology and innovation practices.
- Completed **Spoken Tutorial Certification** from **IIT Bombay**, covering **C, C++, and Java**, strengthening programming skills and technical proficiency.
- Secured a **CGPA of 9.8/10** in **Secondary School Certificate**, Sri Chaitanya, Telangana (2021–2022).
